let's go

Bloom Collective has been in the business of markets since 2015.

This year is our 10 year anniversary.
What an achievement.

what sets us apart

We focus on a beautifully curated market and a charismatic atmosphere.

We encourage feedback and making adjustments to reflect our community is at the forefront (including you), because we can't do what we do without the peoples.

Since Bloom is an evening market, there's no need to rush in the morning. You can still enjoy some family time, chill on your Saturday morning, or catch up on things before joining us in the afternoon, or dare we say it - do two markets in one day.

Leamington Domain is our home and has been since day dot - we collaborate with the miniature trains (if available) and there is also a freshly renovated playground onsite. It's a hidden charm and destination venue - which means our visitors are intentional to purchase from you - which makes everything friendlier too because they actually want to be there.

We aim for a beautiful yet fun vibe.
Collectively We Bloom.

Read over our terms and see if we align with your business goals.

We look forward to your application.

cancellations policy

IF WE CANCEL

In the event we must cancel due to weather, we will endeavor to provide more than 4 hours' notice prior to the event start time. If cancellation occurs by us - your prepaid event booking will be credited to your next available date within the current season. Should no dates be available within the current season, the credit will be forfeited.

IF YOU CANCEL

If you can't make it, let us know via email info@blackfox.nz

For a credit, cancel at least 2 weeks in advance.

Less than 2 weeks' notice requires you to find a replacement vendor/stallholder for a credit.

Less than 24 hours' notice means no refund, and you must pay the remaining balance or your account will be sent to debt collection.

We do not offer refunds.

SICKNESS POLICY

If you're unwell or may be contagious, please cancel with as much notice as possible. Cancelling without appropriate notice due to sickness does not remove your obligation to pay your stall fee. After 10 years of markets, we've seen the reasoning of illness misused - so while we get that life throws curveballs, we still have a market to run.

In special cases, we may review your booking if you're able to provide medical documentation.

health & safety

It's a pretty big job keeping everyone safe.

You are responsible for your own site safety and food vendors - food safety, Council will keep us accountable from time to time. We only ask that you follow the instructions from management when asked.

Please read the fine print for more detailed information.

SMOKE FREE

There is to be no smoking or vaping inside or around your stall, and smoking is restricted to certain areas on the map.

POWERED STALLS

Any powered vendors or stallholders are to provide an appliance schedule - we have a form for this.

SIGN IN ON THE DAY

We've changed our sign-in process. We will provide a sign-in form with your welcome pack - the day or two before the event.

Vehicles will be allowed only once management has given the okay.

WASTE MANAGEMENT

Please take all your own waste home.

COMPLAINTS / FEEDBACK

If you should ever feel that we have breached these terms and conditions or if you have a raving review, please let us know immediately.

It is far easier for us all to make amendments at the time versus months down the track. It's like the ol saying - we don't know, what we don't know. So please bring it to our attention either in person, or via email. Please do not text us.
